Accepted Cartridges: Forms & Cartridge Prices

Effective Immediately: For every Laser Cartridge we receive that is damaged, previously refilled, or not on our Accepted Cartridge List we will deduct \$1.00 from payment. Also, if only a small percentage of the Lasers are broken, previously refilled, or not on our Accepted Cartridge List you will not be penalized and we will make every effort to absorb these losses. This only applies to Laser Cartridges only, not Inkjet Cartridges. Please understand that these situations inflate our shipping costs and also incur handing costs on our end to properly dispose of the cartridges and in the long-run causes us to lower our pricing.
